The Season of the Church

During the month of May the seasons of our Church year will transition from Easter to Pentecost. While most of the seasons of the church year are focused on the life and ministry of Jesus, Pentecost is focused on the ministry of the Church. This is not in the absence of Jesus, but in the sense of the Church being the body of Christ continuing the ministry of Jesus following his resurrection and ascension. That is a long way of saying the season of Pentecost is focused on the ministry of Jesus which happens through us.

Over the years, the Christian faith has become more private. We hear and talk about our personal relationship with God. Many people will say they can believe in God and worship God on their own. I agree, the personal relationship is important; after all, even Jesus took time away to pray. However, in emphasizing the personal relationship, I think we are becoming more disconnected from the Christian community.

As we enter into the season of Pentecost, the season of the Church, I want us to think more about the importance of Christian community. As we read through scripture, there is significantly more focus on God's people in community. The Ten Commandments have three commandments focused on our relationship with God and seven commandments on our relationships within community. Jesus gave us two commandments, love God and love the neighbor. Both are important. So what is Jesus doing through us as a faith community?

Let's make the celebration of the Day of Pentecost a little more festive by wearing the color of the day!

Wear red on Pentecost, Sunday, May 19th!

ADOPT A CLC FLOWER GARDEN

APRIL rains have fostered much growth !!!

Tulips and other perennials are opening up, and weeds are popping up too, so it's time to think about our CLC gardens. CLC has ~8 gardening areas that need help during the Spring, Summer and Fall seasons. Most gardens have perennial plantings along with bushes, grasses and/or trees.

Gardening tasks mainly include weed removal, pruning, watering or mulching if needed. However, planting perennials/annuals is always welcome. Most areas can be maintained for <1 hour a week—with all the fresh air and exercise included. Most tools and a wheelbarrow are available for use. We also have many other tasks like tree and bush trimming, weed removal in parking lots and sidewalks, etc., that need help.

Talk with Nancy Grussing if you can come and help. nbgrussing@gmail.com or leave a note in the CLC mailbox!

VISITATION MINISTRY

Would you like to become a part of a visitation ministry team for Christ Lutheran Church? This may include visiting with homebound members, members who are in the hospital, or our residents next door at Archwood Senior Living. This could include taking Holy Communion from our worship and sharing it with those who are unable to be in worship.

If you are interested or have questions about it, please reach out to Pastor Jane who will provide training on Sunday May 5th after morning worship.

Volunteers

Please sign-up to help set-up, sort through donations May 12-16 and to help with sales on the actual sale dates for the CLC Rummage Sale on Friday May 17 and Sat. May 18. Help will be needed with close down and clean-up as well.

Sign-up sheets are on the tables in the church narthex.

Questions?

Contact Jean Ditzenberger or Alaina Blanchard.

Thank You

The CLC Council will next meet at 6pm on **Monday, May 13**. The agenda and minutes are posted on the bulletin board outside the church office.
