O God of Creation, you have blessed us with the changing of the seasons.

As we welcome the autumn months, may the earlier setting of the sun remind us to take time to rest.

May the brilliant colors of the leaves remind us of the wonder of your creation.

May the steam of our breath in the cool air remind us that it is you who give us the breath of life.

May the harvest from the fields remind us of the abundance we have been given and the bounty we are to share with others.

May the dying of the summer's spirit remind us of your great promise that death is temporary and life is eternal.

*We praise you for the goodness forever and ever.
Amen.*

Council Update

Welcome to Fall and Activities/Groups getting back into gear after the summer break!

Call Process Update—We have the Call Committee set and the Synod has been informed of those persons. They will undergo orientation to better explain their role in question creation for the future interview process for a new Pastor. We are currently still looking for a Bridge Pastor to help keep us consistent in worship through the remainder of the Call Process but the supply is quite limited at this time. So we will be hosting a variety of Pastors over the next several weeks until a Bridge Pastor can be secure. Please join us in welcoming each one and enjoy the variations in sermons upcoming!

Sunday School is in full swing! We are collecting Change for Change in order to help purchase farm animals for those in need through the ELCA Good Gifts program. Please bring any loose change you might have to help!

We have several groups available if you have some musical or crafting talents and we also have a few simple places to help on Sunday mornings. Please prayerfully consider volunteering as our Church and worship does not happen without the help of each other!

28629 98th St

Salem, WI 53168

It will be really big event!

People attending the Estate Sale and Auction will be able to park at the Horse farm across the street and walk over. The family is auctioning and selling off all the big farm equipment along with all the Harley parts and motorcycles that Bob and Lydia collected over the years.

The *Heavenly Hands* quilt group will be there to sell food during the estate sale.

- Help is needed for people to bring cookies and cupcakes etc.. to sell. A treat signup is located at the church if you are able to bring treats. You can drop off the Treats by Thursday October 26.
- People to work the event are also needed.

Please contact Kathy Elfers or Alaina Blanchard know if you can help.

All funds raised will go to Heavenly Hands for Quilt Batting for the coming year. The quilts created will go for our High School Seniors and also for Lutheran World Relief. We give to several groups in our area also. We always need helpers to create our beautiful quilts. Come join our group we meet on Tuesday mornings from 10 – 12 noon. You don't need to know how to sew, just come and we will teach you.

HEAVENLY HANDS

Quilt Blessing

Come and celebrate with us on October 8 and see the beautiful quilts that have been created at Christ Lutheran Church (CLC). The Heavenly Hands Quilt group has been an active part of CLC for many years. Heavenly Hands created 52 Quilts this year. These quilts will be sent to Lutheran World Relief and will be distributed across the globe to places in need. Also, we will be giving quilts to the annual gift drive through "A Place to Grow". Heavenly Hands is a dedicated group of women who come in weekly to create these quilts. Come join our group on Tuesday mornings in Fellowship Hall!

This year we are in need of funds to help with purchasing Quilt Batting. You can give funds in the offering marked Quilt Batting or to the office.

PROPERTY UPDATE

Cleanup day (August 26): Thanks to the families and friends that came to help. (FYI: Volunteering to help with indoor and outdoor tasks has saved CLC > \$5,000 year to date!)

- The storage shed door and trim were repaired & painted.
- Many of the large parking lot cracks were repaired - first with sand and then with an asphalt patching product - (more cracks repair is needed)
- The Daycare room overhead lights were cleaned and new bulbs installed
- Restrooms were cleaned
- The Janitor room storage floor was outlined and labeled for shared Daycare use.
- Hooks/nails removed from pergola
~10 wheelbarrows of weeds & overhanging branches were removed from the playground area.

Our next cleanup date will be **October 21** where we will do fall cleanup: Tasks include: OUTSIDE- trim bushes, mulch where needed, remove a tree too close to the church. Or INSIDE - wash windows or help organize/clean closets!!!

Other repairs: The West Wing ceiling air unit stopped working. SE Mechanical was contracted to complete the repair. After numerous unsuccessful attempts to repair due to faulty parts, they negotiated w/Carrier for a free new 2022 model which was installed on 9/1. Stone was added for base leveling and damper pads installed which were not previously installed. What a great blessing!!

All Saints Sunday

November 5, 2023 will be All Saints Sunday when we remember church family members' relatives and friends of who have died during the past year since we last celebrated All Saints Sunday.

Please contact Julie Fugate in the CLC Office this month with information about your loved ones to be sure to include your family member or friend among those to be honored during worship at CLC on November 5th.

Progress toward opening Ms. Jenny's Child Care at CLC

CLC has rented out the West Wing to Jennifer Cook who has been working with her family to prepare for the opening of child care. Local inspections were conducted and passed; the state inspection is now scheduled to occur on Tuesday, October 10th.

Once the state inspection is passed, it is anticipated that Ms. Jenny's Faith & Learning FUNdamentals for infants and preschoolers will be opened for business, hopefully during the month of October!

Currently, Ms. Jenny is looking to hire two more child care workers, and she is available to give tours to prospective families as enrollment is partially filled.

OTHER UPDATES:

- Thanks to all that helped to update & rebuild our Mailbox slots. They are working great. (Julie F, Bettie, Jerry Anderson, Jean)
- A Children Playing statue was purchased for use at the exit driveway from Archwood. Many trucks use this as an exit. A letter was also written and delivered to Archwood addressing the traffic concerns particularly since the new daycare will be opening soon.

- A Computer & Camera (Thx Julie K and Kathy E) were donated to improve the ease of recording our Sunday Service & online presence. (THX James A. for set-up.)
- A new digital lock was purchased and installed at the west side door for the daycare entrance. Thanks to Jerry Alberte for researching/finding the best locking system and installing it.
- Thanks to Jerry Anderson and Jeff Grussing for keeping our HUGE lawn area looking great. Typically, it takes them ~3 hours each to mow everything - on a weekly basis.
- The mystery of the non-working remote for the Fellowship Hall air conditioning unit was solved. New batteries were installed!!!
